Fullerton Union High School
Fullerton, California

Dedication

Because of the beauty, not only of its outward appearance but also of its soul, which only we who pass our happiest days here can understand and appreciate to the fullest, we dedicate this book to the campus and all its buildings which have been a constant inspiration and reminder of the great opportunities we find here.

There is a place of knowledge
rare,
Of lessons hard and long,
Where facts are laid down cold
and bare,
And placed where they belong.

And in this place 'tis truly told
Are those who make the strife
In which we grope to higher aims
Much easier in life.

Oh! 'Tis a place of mem'ries sweet
Of old romances dear,
Of Friendships young, so true
and deep,
And formed with hearts sincere.

Our high school days must end
forever;
So as we gather here together,
And look into the other's face,
Sad tears appear and smiles dis-
place.

OH! Let our Alma Mater be
A light which can be seen
To guide our steps where they
might make
Our lives entire and clean.

God bless our Alma Mater dear,
So watchful, kind and true,
And may she be our lighthouse
In whatever we may do.

SCHOOL MANAGEMENT

*The End
or the
Beginning?*

Each year at commencement, seniors are faced with the alternative of deciding that they have concluded a phase in their lives or that their diplomas will serve as admission into a newer and fuller life. We hope our seniors will value the experiences they have had. We hope they will humbly take their added maturity as a challenge to make a still richer contribution to life. We hope that much as they have enjoyed the past they will look and work for the future. We hope the example of the seniors will be inspiration to the rest of you.

The school year now nearing its conclusion has been a good one. Spirit of students, faculty and townspeople has been high and cooperative. Unusual success has marked efforts in such varied fields as athletics, music, dramatics and scholarship. Distinguished recognition has come to our alumni. The school has shown leadership in state-wide organizations as well as playing host to representative groups from all of Southern California. Alumni homecoming is becoming a happy and firmly established tradition. The Quarterback Club and "Tommy Chicks" blossomed as organizations to support Fullerton Union High School and foster clean sportsmanship.

We wish to all of you success and much happiness. May the ending of this year be but the beginning.

Sincerely,

T. Stanley Warburton

T. STANLEY WARBURTON, Superintendent.

Greetings

As you read this message, you are well aware that another school year is ending. For you seniors it is almost time to say "goodbye". If, during these recent months you have practiced the fine art of becoming an ever better Fullerton Indian, then this year has been most successful.

Generations of young people have established on this campus fine traditions, and have determined by conduct and achievement just what a Fullerton Indian should be. Friendliness, good sportsmanship, a willingness to assume and discharge responsibility, together with the "will to win",—these are typical qualities. With them you are better prepared to live effectively in any situation. Thank you for your help in making our school so enjoyable this year, and best wishes for your further success and happiness.

Glenn H. Lewis

Sincerely,
GLENN H. LEWIS, principal.

Dean of Girls

In selecting periodicals as a theme for this Annual, the staff may take satisfaction in the realization that the *Pleiades* is the publication which the students of Fullerton Union High School have awaited with great anticipation for these many months. As these pages are perused, may they revive memories of lessons well learned, of worth-while activities enjoyed and of lasting friendships made during 1947-1948 on the campus.

It has been a joy to work with the cover girls pictured on the following pages. *The American Girl of Seventeen* on our campus has more *Glamour*. She is an intelligent *Mademoiselle* of character, and with a *Variety* of interests. Her *Scholastic* work and her extracurricular activities are training her for a career and for that *House Beautiful* of her dreams.

My thanks to her for her never-failing cooperation throughout the year.

Sincerely,

Dorcas Turner

DORCAS TURNER,
Dean of Girls

Dean of Boys

"Aloha" to each and every senior and may I send you on your way by wishing you luck and may your journey on through life be a fruitful one. You have just completed another very important lap of this journey and with new experiences and new friendships gained during the last four years you should be prepared to make greater contributions to society.

The year just passed has been a very fine one and could not have become a reality except for the cooperation of every student in F.U.H.S. The "will-to-win" spirit of our athletic teams, the diligent efforts of student leaders, the willingness of the majority of students to serve, the enthusiastic participation in school activities and student loyalty are a few of the things which made this year so memorable.

The experiences gained at F.U.H.S. should prepare you to take your place as a worthy citizen in your community and, in turn, of this great nation of ours. We must prepare ourselves to the best of our ability to meet the challenges of an ever changing competitive world.

I wish to thank every student of F.U.H.S. for the part he has played in making the school year a most enjoyable and fruitful one and ask that those students returning next year keep up the fine spirit and good work to assure that future years will be just as great or greater.

Best of luck,

Donald C. Cruickshank

LIFE

Life Goes To A Pow-Wow

His majesty, Bob Boaz, well known to all students throughout the county because of his outstanding ability in football and track, headed the regal court by winning the coveted title of King for the 1948 Pow Wow celebration.

Nancy Groff added her regal beauty to the gala celebration, and charmingly reigned over the days activities. Her sparkling smile and friendly hello's are well known to all the students of the campus, making her always a queen.

*Life Goes To
a Pow Wow*

Cathora Proud, Eunice Dominguez, Donna Pyatte and Betty Sutton were the lovely attendants chosen to represent their various classes with all the charm and grace befitting the Fullerton court.

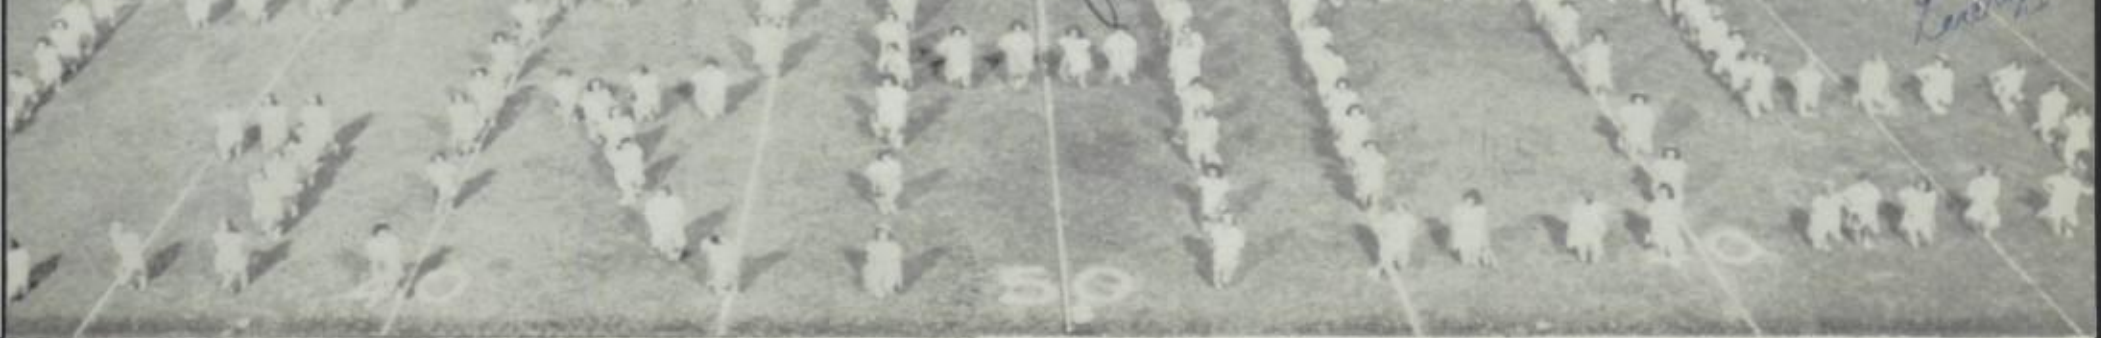

A touch of comedy was added to the royal scene by Eugene Nelson, Willie Ugh.

Queen Peggy Boaz, ruled over the days activities with all the graciousness of a real queen. She was ably and attractively attended by Iris Jones, Mary Pat Lloyd, Judy Crankshaw and Gretchen Avey, whose loveliness was appreciated by all.

Senior Class Play

Presenting "A Date With Judy" for their annual play on March 18 and 19 was the senior class of 1948.

"A Date With Judy," a comedy in three acts, takes place in the living room of the Foster home.

Judy is a vivacious and very impressionable teen-age miss. Her spirits are always soaring to the heights or sinking deep into the doldrums. The "happy medium" obviously has little place in Judy's existence.

The story concerns Judy and her friend Barbara who, although she is Judy's age is not aggressive, but is a good follower. Judy and Barbara are planning to beat Tootsie White-man out of being queen of the Community Relief Ball her club is giving. The girl who raises the most money for the fund will be Queen of the ball and get to lead the grand march.

How the poor Foster family suffers when Judy begins to plan how she can get money fast by entering all the contests that are advertised. The story moves rapidly and the plot is clever with young problems; the solutions are as hilarious as the conflicts.

It can be said that "A Date With Judy" was at the top of the list in "Senior play productions."

Christmas Play

One of the outstanding productions of the year was the annual Christmas play, "The Other Wise Man."

With the combined efforts of the high school and junior college, the program was presented to the student body, with deep reverence and sincerity.

There are many exciting events during the year, but one of greatest importance, especially to the juniors and seniors, is the unforgettable Prom!

With the Prom comes the glamor of a new formal, beautiful flowers, and that special boy and girl, and an evening to be remembered for a long, long time.

Annual Staff

We of the staff have worked hard to make this the best Annual ever produced by Fullerton High. We hope it will be the one which will always stand out in your memories as you think back on the happy times you have had here. We hope you like reading it as much as we have loved putting it out for you.

At times the going has been rough, and we've been behind schedule, but Miss Bailey has always managed to pull us through. This Annual would not have been possible without her able guidance, and we wish to express our sincere gratitude to her.

Fullerton's varsity football squad finished their most successful grid season in eighteen years when they turned in their suits in 1947.

Led by Co-Captains Tommy Thompson and Carlton Moore, the Indians fielded a team featuring one of the finest lines ever to wear the Red and Gold. The backfield was versatile and experienced, starring Bob Boaz, brilliant tripple-threat halfback.

Coaches Spaulding and Smith's squad started slowly, losing to Chaffey on a blocked kick in their first contest. They picked up speed, however, and dumped Whittier and Redlands before losing a tough game at Newport. Then came the traditional Santa Ana contest which saw the Saints come to Fullerton highly favored, only to be beaten 7-6 by an inspired Fullerton eleven in one of the finest football games ever played in Fullerton stadium. The Indians then went on to run their winning streak to five straight games and the first Sunset League championship in the school's history. The team then went into the C.I.F. playoffs, the first Fullerton squad to do this since 1929. They met Pomona, Citrus Belt League champs, and were defeated 26-6 in a game which saw Fullerton outdown and outgain the Red Devils.

Bob Boaz, back, Jack Adams tackle and Dick Shook, guard, all gained berths on the first string All-Sunset League eleven, with Dick Dick Johnson, guard, and Tom Thompson, back, making the second team. Carlton Moore, end, gained honorable mention.

This year's varsity casaba crew finished the league season in third place. The team, which contained seven lettermen, started slowly, losing three league contests the first round. They finished the season strongly, losing only one league game in the second round, and that was to Santa Ana, Sunset League Champs. Bill Straw, guard, made the first string all-league team and Doug Thamer made the second squad as a center.

Back Row: Downs, Bridgeford, Hoefler, Boaz, Struve, Fletcher, Govreau, Darnell, Moen, Shook, Corner.
Front Row: Berton, Straw, Barnes, Moore, Nielsen, Ferguson, Nelson, Grabau, Adams.

Although at this date the track season has not come to a close it was evident that this year's varsity track team is one of the finest to carry Fullerton's colors since 1934.

Up to this time many outstanding marks have been established. Don Barnes pole vaulted 12 ft. 10 $\frac{1}{4}$ in. (school record), Bob Ferguson broad jumped 21 ft. 4 $\frac{1}{2}$ in., Don Hoefler ran a 9.8 century and a 21.6 220, George Berton ran the 880 in 2.04, Bill Straw ran the mile in 4:49.4, Bob Boaz ran the high hurdles in 14.9 (school and league record) and the low hurdles in 19.9 (school record) and 20 sec. league record). The relay team composed of Bridgeford, Ferguson, Hoefler, and Boaz sped the half mile in 1:32.1 (league record).

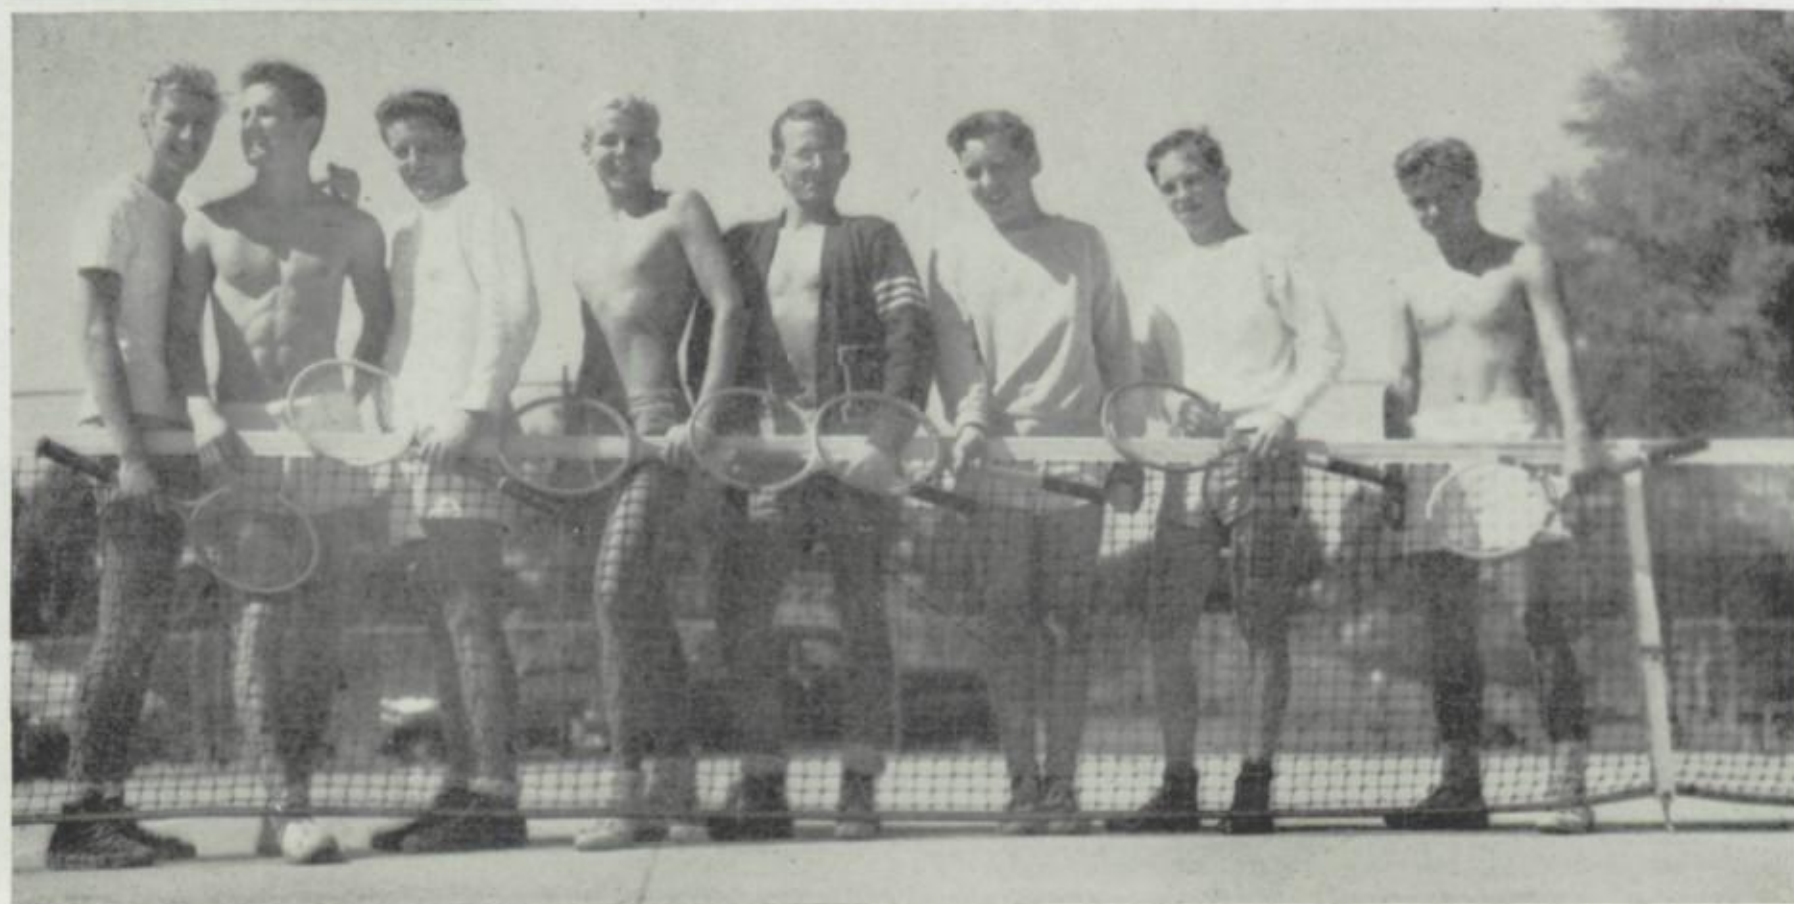

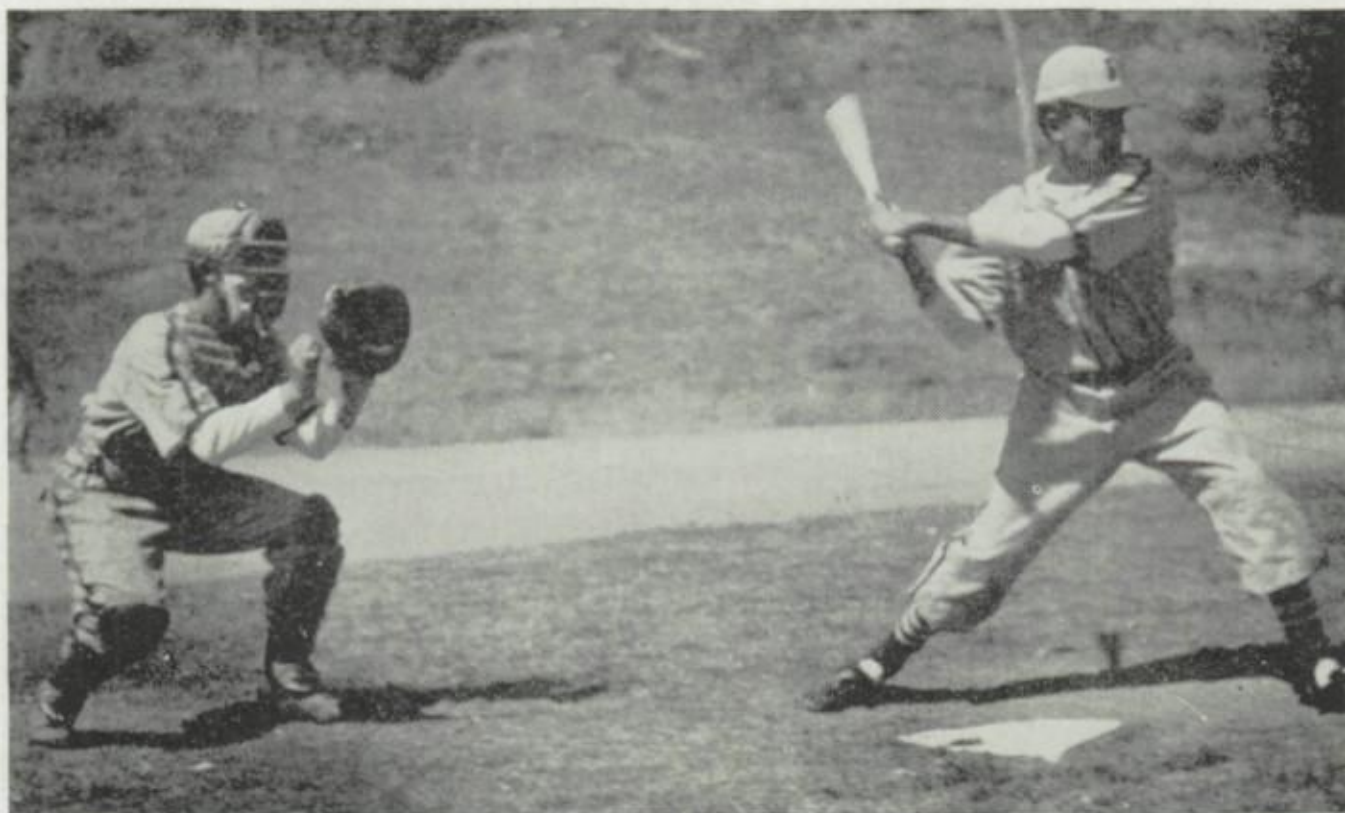

Varsity Tennis

The tennis squads had rounded into fair aggregations by this time and the varsity, with five returning lettermen had shown that they would place well in the final league playoffs.

Varsity Baseball

Fullerton's varsity baseball team at the time of Pleiades publication, had won fourteen games and lost seven. The Indians came home with the consolation championship of the Pomona Tourney for the first time in the history of Fullerton baseball. The defending Sunset League champs were favored again to take the diamond title this year, but at this date had won two and lost three league games.

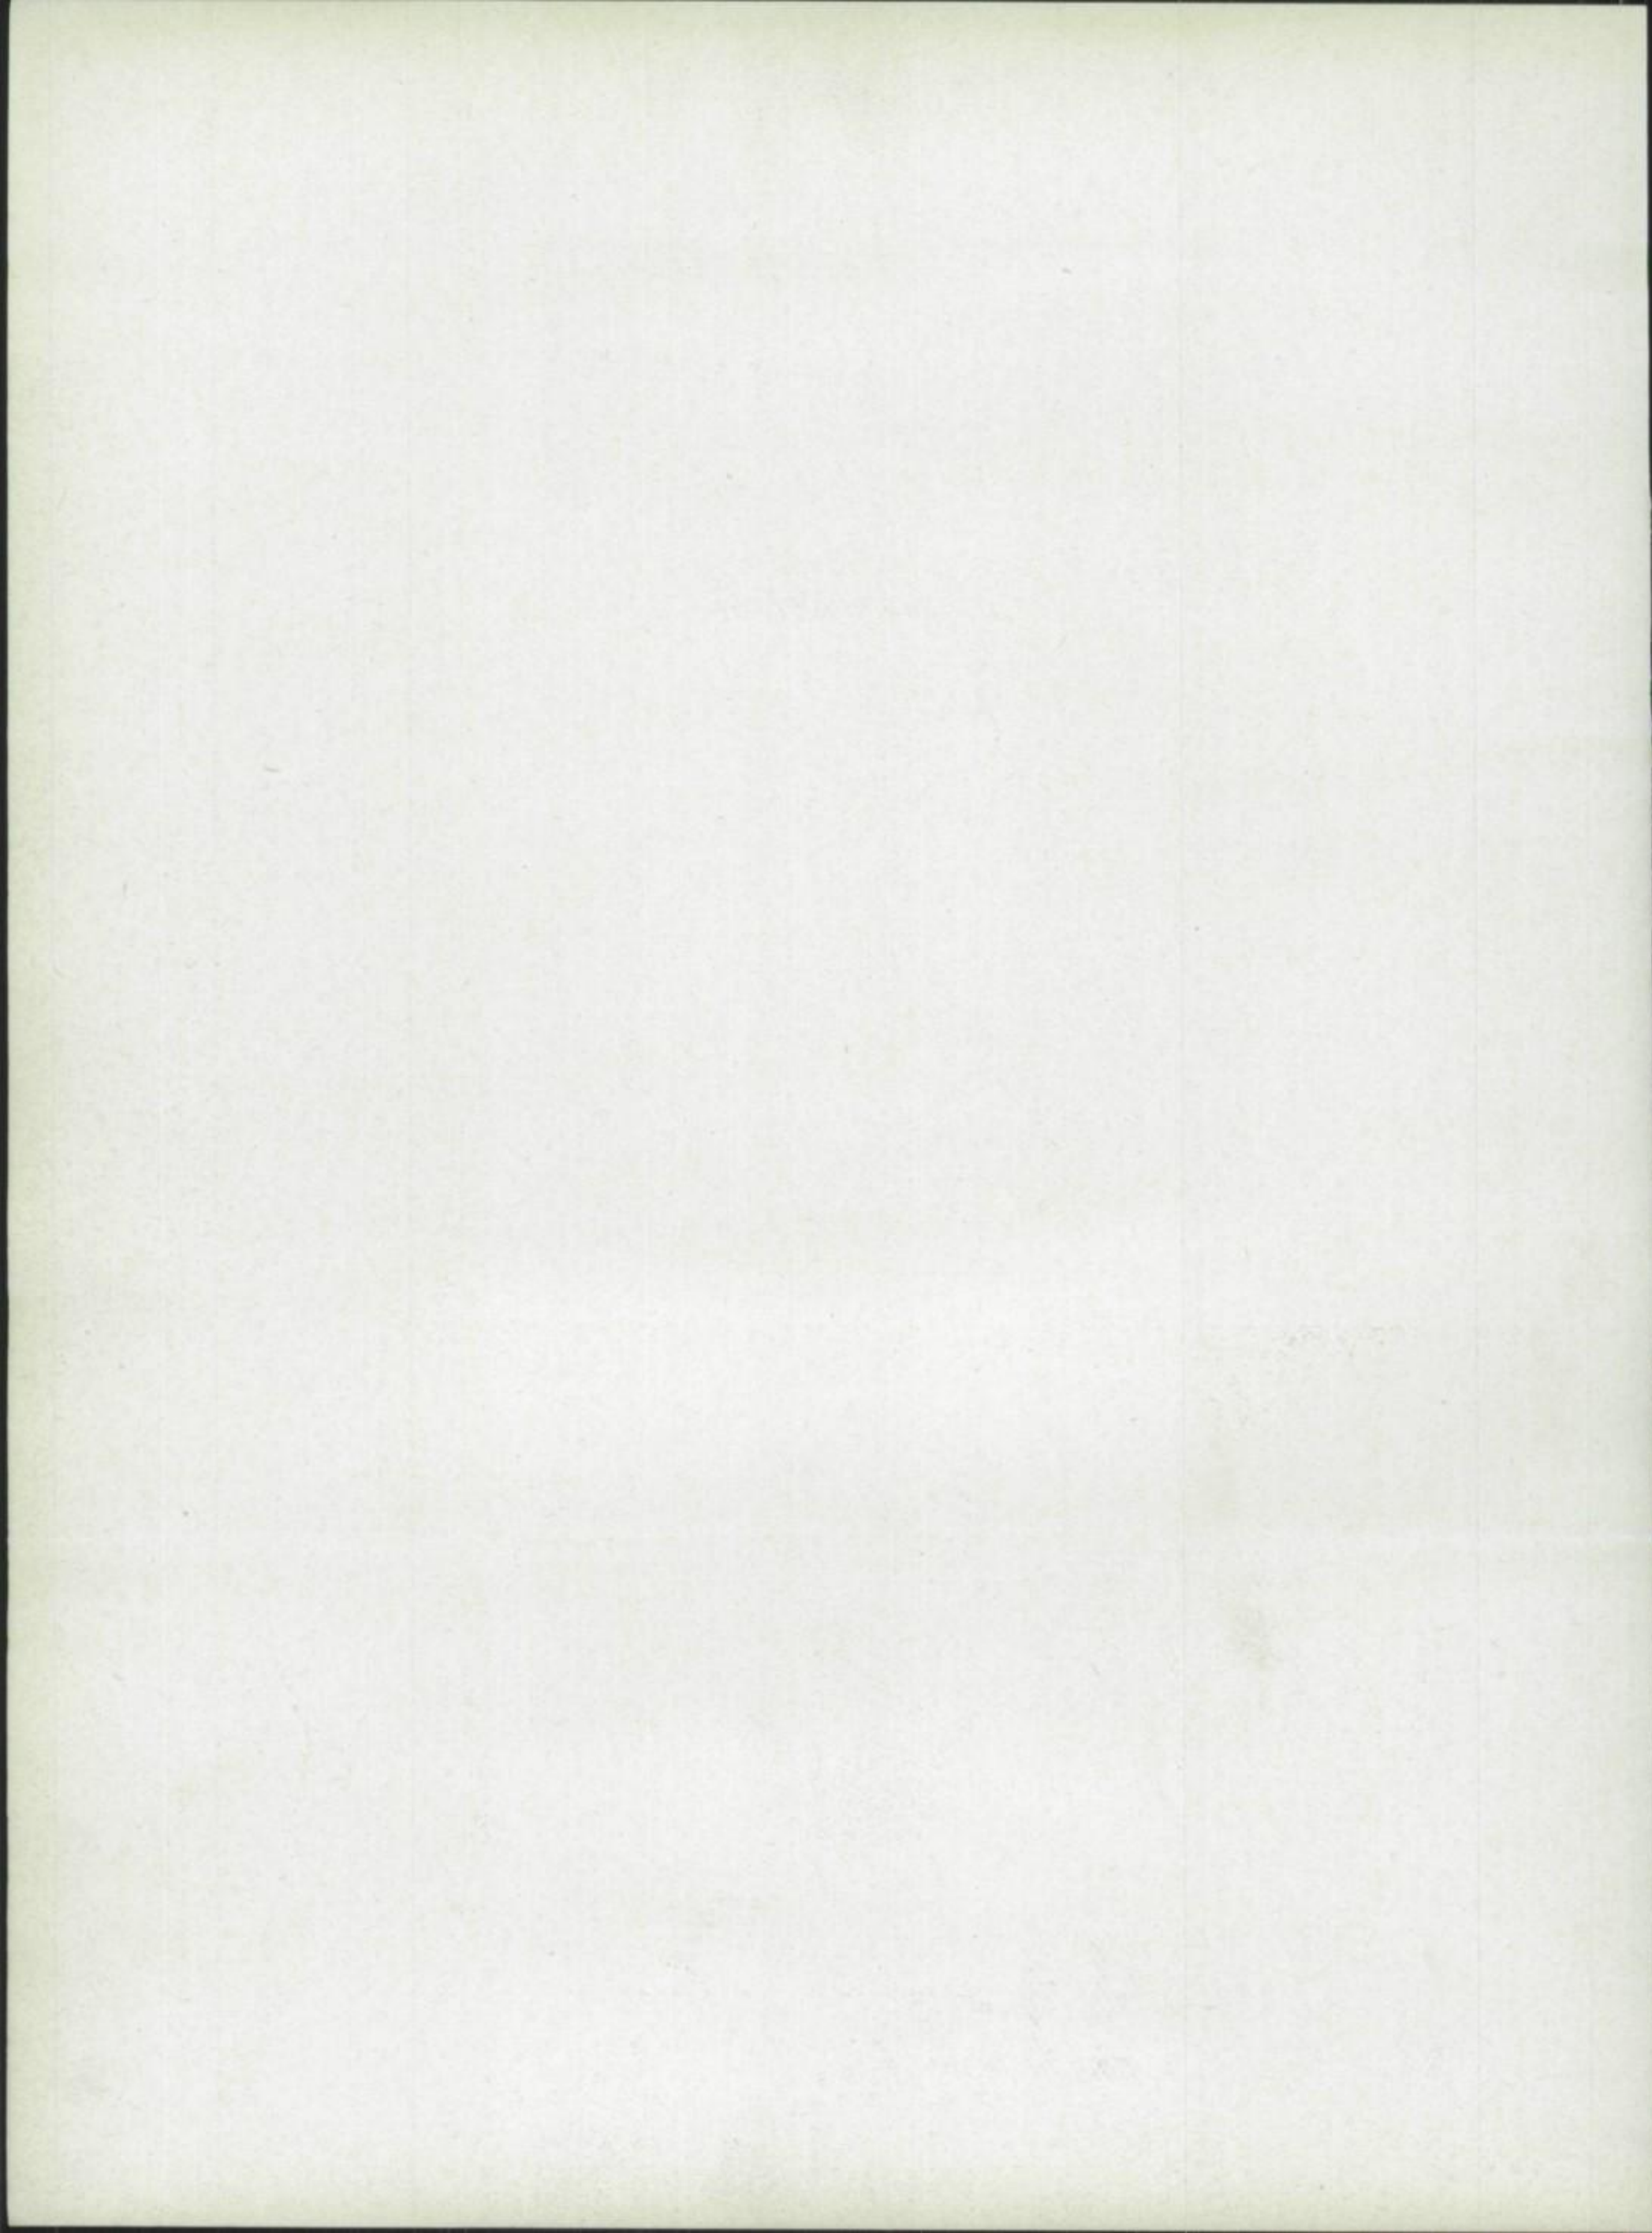

Back Row: Coach Spaulding, Potts, Arbiso, Brann, Thompson, Clodt, McConnell, Mgr. Parker. Front Row: Ramsay, Peterson, Ross, Lienz, Striker, Stedham, Taylor.

The varsity tennis team is made up from all four classes. The seniors had the most players out this season. At press time the teams were training for matches to be held with other schools.

There was a large turnout for interclass tennis. The outstanding players were Diane Schroeder, Rhio Buckmaster and Peggy Boaz. Edith Logan was the coach; Peggy Boaz, the manager.
